Dear Sir or Madam,

Pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994, Tyler Encapsulations wishes to notify the Food and Drug Administration that it will within the next 30 days commence to market a dietary supplement which bears statements of nutritional support.

The dietary supplement for which the statements are made is Acid Ease. The dietary ingredients that are the subject of the statements are gamma oryzanol from Rice Bran Oil, Slippery Elm Bark (*Ulmus fulva*) and Marshmallow root (*Althea officinalis*). The statement of nutritional support is as follows:

1. Soothing digestive support.

I certify that the information contained in this notice is complete and accurate, and that we have substantiation that these statements are truthful and not misleading.

Sincerely,

Jeremy Appleton
Director of Technical and Regulatory Affairs
